

A modern office interior with large windows overlooking a city skyline. The office is furnished with white desks, black office chairs, and computer monitors. The ceiling has recessed lighting. The text 'TEKTELIC' is prominently displayed in the top right corner, with 'communications' in a smaller font below it. Three white circles are overlaid on the image: one in the upper left window area, one on a desk chair in the lower left, and one on a computer monitor in the center-right.
